

# 'The Holly and the Ivy' – Churchyard Work Day for All

Saturday October 13<sup>th</sup> 2018

Would you be willing to help us with some churchyard maintenance on Saturday October 13th from 11-1pm. We are struggling to contain some of the ivy, holly and elder in the churchyard: it is obscuring some lovely old monuments and walls. We already depend on our wonderful church members to keep the church clean and tidy. This is an invitation for 'Friends of St Michael's' to join us as we tackle the outdoor space and stop the ivy strangling our beautiful trees.

Tea, coffee and cake in abundance for our wonderful volunteers, and please remember to bring gloves and suitable outdoor clothing. If you have your own gardening tools (eg. loppers, secateurs) these would also be of help. Further information contact Anne 01364661371.
