

Devon Historic Churches Day

St. Michael's Ilsington

Sunday 15th September 2-4 pm

On Sunday 15th September we shall be joining with Devon Historic Churches in celebrating the great heritage of our rural churches. You are all most welcome to join us at St. Michael's

This is an opportunity for you to:

Climb the church tower to the top (assistance provided) and view the surrounding countryside and features for miles and miles. Spot landmarks and discover the old drovers routes to and from the open moor.

Join in a guided churchyard tour to discover the history of ten characters interred there.

Relax with a Devon cream tea served in the church.
