

A History of Beating the Bounds
Ilsington Parish history retold

Wednesday May 1st, 7.30pm
in
Ilsington Village Hall

This is an opportunity to share some of the local anecdotes of poachers, gamekeepers and landowners who knew the bounds of the parish better than most! Find out why our bounds mattered and the history of recording and disputing their location.

During the evening we shall share the details for registration at the forthcoming Parish Perambulation and outline the details of the four walks.

A 'History of Beating the Bounds of Ilsington', produced by Ilsington Local History Group, will be available for sale, and provides background information to accompany this event.
