

Ilington Parish Summer Show – Time to Make Plans!

What an amazing spring! Tee shirt weather in late February, more rain in the first 10 days of March than in the whole of February, then no sign of significant rain for several weeks before a nasty little frost in early April! Hopefully all is well in your gardens or allotments and you are already making plans for the season ahead. If you haven't entered anything from your garden before, or you have missed a few years at the Show – come on – have a go! We know that you will enjoy the great fun and satisfaction.

SUMMER SHOW SCHEDULES

The Show Schedules are already available at the **Ilington Shop** and at the **Liverton Post Office**. Please be sure to pick yours up and have a good look at the fantastic diversity of classes. We will make sure that there are a few more schedules in the Carpenters Arms and The Star as well.

VOLUNTEERS

The Summer Show is an event for the **whole Parish** and is really buzzing at the moment and so much of that is from the work of the Committee over many years and from the team of volunteers that help set up, manage and dismantle the Show. We are always looking to welcome fresh faces, if you are new to the area or not, please do get in touch. “Who are the Committee?” I hear you ask. Well, it's funny you should say that as I was just about to introduce them to you anyway!
