

## **Launch of the Ilsington History Group**

Following a successful bid for start up funds, we wish to invite interested people to join us as we launch a new local history group for the parish of Ilsington. The lottery funding from **'Moor than Meets the Eye'** will enable us to acquire equipment to create a digital archive of local photographs and documents for all to share, and to initiate regular meetings to explore aspects of local heritage. Further details will be available on

Saturday, June 10th, 10.30-5pm

'Merry Medieval –500 years since the Reformation',  
St Michael's Church, Ilsington.

Do join us for family activities from 10.30 and an afternoon 'walk and talk' at 3pm with Dr. Susan Andrews as we reinterpret and view the late medieval curiosities and artwork. There will be an opportunity to express interest in the new History Group, which will be fully fledged later in the Autumn.

For further details, please contact Anne Parkinson (01364 661371) or [anne@stonebarrow.plus.com](mailto:anne@stonebarrow.plus.com).
