**SATURDAY 1ST JULY 2017

New features at this year's Fayre include "Make It!" – An opportunity for anyone under 16 attending the Fayre to enter our fun competition and demonstrate their creative skills in categories ranging from biscuit decoration to drawing.

Plenty of food and drink will be on offer whilst you listen to the ukulele band play, watch a variety of displays and try your hand on our 'have a go' stalls.

Pony rides, bouncy castle, face painting and go-karts are just some of the attractions on offer, whilst a range of craft and produce stalls means there'll be plenty to see and sample. We hope to see you there!
