

MCC Rally - Simms Hill
Saturday January 5th 2019

With each New Year come fresh resolutions - and Ilsington starts the year with this show-stopping spectacle of flying mud and cheering crowds. The motor enthusiasts and their travelling spectators will be returning to the parish for another challenge on Simms Hill and Tipley Lane. Along the way they will stop for tea, coffee, pasties and the much anticipated array of home made cakes on offer at Ilsington Village Hall.

The event has become a regular fixture on the fund-raising calendar and the efforts of a trusty army of cake bakers ensure funds for good causes around the parish. We always appreciate donations of cakes for the event, and we are delighted to welcome new volunteers to help out on the day with serving hot drinks and welcoming our visitors. Programmes for the event will be available through Ilsington Village Shop with all contributions going towards the local fund raising.

The primary beneficiary of the funds raised this year will be St. Michael's Church for a recent architectural survey has highlighted both defective windows and stonework in need of urgent repair. For further details of how to get involved and donate cakes, please contact:
