

MCC Trials

Saturday January 6th 2018

A reminder that we are hosting the annual MCC Trials here in Ilsington on Saturday, January 6th 2018. The annual hill scramble up Simms Hill by vintage vehicles and kit cars continues to draw in crowds of dedicated followers and we are delighted to be asked to provide refreshments on the day. Ilsington village hall will be a hub for hot drinks, pasties and home made cakes and Liverton Scouts will be manning the 'café on the hill' for spectators and marshalls.

The village will be busy, and every year, despite all our best efforts, some visitors do not appreciate the narrowness of the lanes and the need to park sensibly. Please make allowances as this event is a very successful fund raiser for the local community. We are grateful to volunteers with IPFARA for joining us in making provision for parking at Ilsington playing fields.

We always welcome donations of home made cakes – they really are appreciated by all taking part on the day. If you would like to be involved or can offer a cake on the day please contact:
