

THE ILSINGTON PETANQUE season starts in April with an afternoon of Petanque followed by a bring and share social. This will take place on Sunday 5th April at 2.15 p.m. at Middlecott, Green Lane, by kind invitation of Yvonne Ware-Owen. We look forward to welcoming our regular players and anyone else who wishes to join us. The game is easy for beginners to join in and play, so do come along.

We plan another session on Sunday 19th April for people to come along and have a go. In May we will be joining in with other teams in the South Devon Petanque League for some friendly competition interspersed with other sessions to practice our skills.
