

The Mobile Library

The Mobile Library service provided by Devon Libraries has been subject to review recently, no doubt due to financial considerations.

Whilst the service in our local area is being maintained for now, it is important that a sufficient number of residents use the facility to justify it continuing. Against the background of an apparent reduction in interest at the Ilsington, Liverton and Haytor stops there has to be a concern that IF WE DON'T USE IT WE'LL LOSE IT. It would be a real shame if we lost this valuable amenity, so do continue to support it.

The mobile library visit schedule through to June 2019 is as follows:

April 16, May 14, June 11, future dates to follow in due course.

Visit times are:

Haytor (Rock Inn) 09.40 - 10.00

Ilsington (Village Hall) 10.10 - 10.30

Liverton (Post Office) 11.45 - 12.30

Devon Libraries is a network of 50 libraries, four mobile libraries and three prison libraries.

The service offers free access to thousands of books, eBooks, audiobooks, online reference, music and magazines. Each library runs numerous events and activities for all the family, and staff are on hand to help you find anything you need.
