

Wildlife Photographic Exhibition

Saturday and Sunday 9th & 10th February 10am-4pm both days

Held at Journey's End, Green Lane, Ilstington TQ13 9RB

Brian and Sheree Sedgbeer go to Africa every year. Every picture they take has a story to tell with many exhilarating moments caught on camera, from big cats to gorgeous birds.

Living on the edge of Dartmoor they have a deep love of the National Park, capturing the essence of the moorland in their pictures, with inclement weather, stallions chasing off young contenders, amazing sunsets and sunrises, mares and foals and colourful gorse and heather often surrounding our stunning granite Tors.

Everyone is welcome, free entry, come & enjoy a drink whilst viewing our collection. We look forward to meeting you
