

## ILSINGTON PLAYING FIELD AND RECREATIONAL ASSOCIATION (IPFARA)

### SECRETARY AND TREASURER REQUIRED

We are the organisation which manages the sports facilities at the Owen, Smith and Westaway Playing Field at Ilsington. We have an enthusiastic, dedicated and active team of volunteers working to improve the facilities and expand the range of sports for which we cater. Our secretary and treasurer are both retiring and we seek volunteers to fill the vacancies.

Each position involves giving a few hours a month of your time working with the Chairman and the team on the administration of the Association's affairs. If you are interested in helping manage local sports facilities then please telephone Phil Smith, Chairman, on 07974 672113 or email [philsmith412@aol.com](mailto:philsmith412@aol.com)

### WANT TO START A SPORTS CLUB?

IPFARA is also keen to expand the numbers of people using our sports facilities both by expanding the memberships of our existing clubs (Bowls, tennis, football and netball) and by helping any new sports clubs to get started. We have space to accommodate cricket, junior football, rounders and other sports for which people may wish to organise clubs.

We will offer our experience and assistance to help new clubs get established.

If you wish to discuss starting a new club or joining any of our existing clubs please telephone Phil Smith, Chairman on 07974 672113 or email [philsmith412@aol.com](mailto:philsmith412@aol.com)
