

Friends of Simms View

The year is now well underway and we have enjoyed the company of many old friends and neighbours at our monthly socials in Simms View, Ilsington. For anyone new to the area, Simms View was established in 1991 with support of Methodist Housing for the Aged. The scheme has 4 self contained flats and a shared communal lounge.

Friends of Simms View was established to encourage neighbours to meet and share support and our monthly afternoon tea parties are enjoyed by all. We are so fortunate to be able to meet in the sunny and spacious lounge and in the summer we can appreciate the lovely communal garden. Today the scheme is managed by Devon Rural Housing and vacancies are advertised through Devon Home Choice <https://www.devonhomechoice.com>

We try to meet on the 3rd Monday in each month and are currently supported by Ilsington United Charities who value the opportunity that Friends of Simms View bring to local people.

Ladies and Gentlemen do join us for tea, cake & absent-mindedness!
