

Friends of Simms View

The Friends of Simms View is an informal group of local friends and neighbours who meet monthly at Simms View, Ilsington for tea and cake. We rounded the old year off with a very enjoyable and sociable festive lunch in Ilsington Village Hall as our cosy community lounge probably could not cope with all the excitement! It was lovely to welcome some new faces, some husbands and our special guest, David Cox, from Teignbridge who thinks that what we all do is 'simple marvellous'. With that encouragement we start the New Year full of good intentions to make more cakes and keep the kettle on the boil. If you are new to the area, would like to meet new friends or have lived here all your life - we really welcome you to join us and add to the mix of community life.

Julia, Ted and Edrie, all resident at Simms View - a communal retirement home, extend a warm welcome to our spring socials on:

Monday 21st January

Monday 18th February

Monday 18th March, and

Monday 15th April

We meet from 2.30pm and can offer local transport to Ilsington so please contact Julia (661715) or Anne (661371) for further information.
