

Tower Day Ilington

Saturday September 9th

On Saturday September 9th we shall be joining with Devon Historic Churches and their annual fund-raising which celebrates the great heritage of our rural churches. This is an opportunity to discover for yourselves the amazing parish panorama from the top of the tower and pinpoint moments in history from the medieval drift lanes to the field systems, settlement patterns and historic dwellings. Further details in Septembers parish magazine, but kindly put this date in your diary and do join us for a warm welcome, home-made cakes and Fair Trade coffee.
