

**Tower Experience and Village Hall
Open Day
Ilsington**

Sunday 9th September 2-4pm

On Saturday September 9th we shall be joining with Devon Historic Churches in celebrating the great heritage of our rural churches. You are all most welcome.

This is an opportunity to discover for yourselves the amazing panorama from the top of the church tower and follow the village history trail. Do invite family and friends, and enjoy afternoon tea in Ilsington Village where there will displays and information about Local History and upcoming events in the Parish. Further details in September's parish magazine, but kindly put this date in your diary and do join us for a warm welcome and delicious, locally made cakes.
