

Happy Birthday Ilsington Village Shop!

This year on July 18th your village shop has been successfully operating for 5 years. Thanks to the vision and dedication of the original Ilsington Shop Committee, new life was breathed into the community with the re-launch of the shop in its purpose-built premises adjoining the Village Hall in Ilsington.

Since then the shop has continued to develop and grow its range of produce, providing customers with excellent value goods from 8 in the morning until 7.30 most evenings. The shop is also a meeting place, a catalyst for village events and a provider of funds for worthy community groups.

The shop would not work without three essential ingredients:

the volunteers - who staff the shop. Without their dedication and tireless support the shop's hours would be limited and goods would be much more expensive.

the products - we are continually reappraising our stock to ensure we provide not only core essentials at great prices but we are also committed to providing locally sourced products where possible.

the customer - without your continued input, understanding and commitment to shopping with us we would not be here today.

THANK YOU!

If you have any time and would like to help the shop continue to operate, then please do phone us and arrange to come and see what volunteering with us entails. 01364 661788

And please put the 21st June at 7pm into your diary. This is the shop's Annual General Meeting in the village hall, where we would welcome meeting you and celebrating this 5 year success story.
